### **Operating Standards subcommittee:**

**SECTION 2.** Article 3 of Chapter 105 of the General Statutes is amended by adding a new section to read:

### "§ 62A-54. PSAP operating standards subcommittee.

- Purpose. A standing subcommittee of the 911 Board must determine the operating standards of PSAPs that receive distributions from the 911 Fund. The subcommittee must determine the following:
  - **(1)** The operating standards of PSAPs.
  - The time period in which PSAPs must implement newly adopted standards. (2)
  - The consequences for failure to implement standards, including the (3) reduction in distributions from the 911Fund.
- Members. The subcommittee must be appointed by the Chair of the 911 Board. The subcommittee consists of 8 members that serve in a management or supervisory role of a primary PSAP. The Chair must choose a representative of National Emergency Number Association (NENA) and Association of Public Safety Communications Officials (APCO) that supervises a primary PSAP. The subcommittee will consist of the following:
  - Three individuals selected from five individuals recommended by the North (1) Carolina League of Municipalities.
  - Three individuals selected from five individuals recommended bythe North (2) Carolina County Commissioners Association.
- Review and publication. The standards must be established by the subcommittee (c) by July 1, 2011. The standards must be published and distributed to all PSAPs that receive

### **Use of Funds:**

### **SECTION 3.(a)** G.S. 62A-46(c) reads as rewritten:

- "(c) Use of Funds. A PSAP that receives a distribution from the 911 Fund may not use the amount received to pay for the lease or purchase of real estate, cosmetic remodeling of emergency dispatch centers, hiring or compensating telecommunicators, or the purchase of mobile communications vehicles, ambulances, fire engines, or other emergency vehicles. Distributions received by a PSAP may be used only to pay for the following:
  - (1) The lease, purchase, or maintenance of emergency telephone equipment, including necessary computer hardware, software, and database provisioning, addressing, telecommunicator furniture, and nonrecurring costs of establishing a 911 system.
  - (2) Expenditures for in-State training of 911 personnel regarding the maintenance and operation of the 911 system. Allowable training expenses include the cost of transportation, lodging, instructor fees, trainee instructors, certifications, improvement programs, quality assurance training, and training associated with call taking, and emergency medical, fire, or law enforcement procedures procedures, and training specific to managing a primary PSAP or supervising primary PSAP staff. Training outside the State is not an eligible expenditure unless the training is unavailable in the State or the PSAP documents that the training costs are less if received out-of-state. Training specific to the receipt of 911 calls is allowed only for intake and related call taking quality assurance and improvement for receipt and dispatch. Instructor certification costs and course required prerequisites, including physicals, psychological exams, and drug testing, are not allowable expenditures.

**SECTION 3.(b)** G.S. 62A-46 is amended by adding a new subsection (c1) to read:

"(c1) Radio Communications Equipment. – After the expenditures under subsection (c) are made, a PSAP that satisfies the operating standards established by the Board may use any remaining distributions for the lease, purchase, or maintenance of radio communications equipment including necessary hardware and software, base station transmitters, microwave links and antennae used to dispatch emergency calls from the PSAP. A PSAP that receives a distribution from the 911 Fund may not use the amount received to pay for the cost of towers or communication devices used by emergency responders."

**SECTION 3.(c)** This section is effective July 1, 2011.

**SECTION 4.** For the Fiscal year beginning July 1, 2010 and ending June 30, 2011, PSAPs that have received distributions from the 911 Fund may use any remaining distributions from the 911 Board remaining the PSAPs Emergency Telephone System Fund to pay for no more than twenty-five percent (25%) of the cost of certain radio communications equipment used to dispatch emergency call information from the PSAP. The expenditures must be made in fiscal years beginning in 2010 or 2011. All expenditures must be reported to the 911 Board and approved by the 911 Board. Radio communications devices used by emergency responders are not an eligible expense. Eligible expenses are:
